

# 117,350 New dwellings proposed for our local area

- It is proposed that the area have 117,350 new dwellings. **How will this erode our quality of life?**
- Green fields will be lost forever to brick and tarmac. **What impact will this growth have on the environment?**
- More development means more roads and congestion. **Will your journey to work cost the earth?**

## The Figures

12,000

Weston-super-Mare

5,750

Remainder of North Somerset

9,000

North Somerset Green Belt (Bristol Urban Extension)

2,300

Remainder of Bath and North East Somerset

8,000

Bath & North East Somerset (Green Belt)

3,000

Keynsham (urban extension in Green Belt)

8,000

Bath and Bath urban extension (2,000 in Green Belt)
